

As an industry we need to  
do more to **help and support our  
workforce and their families**

**WHY?**

# Construction is one of the most dangerous industries to work in....

Every year there are on average **40 fatalities** on our building sites

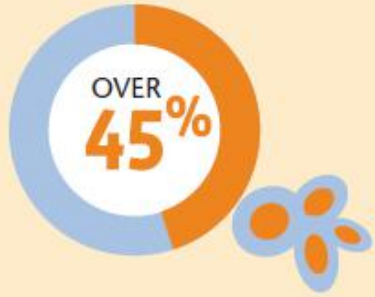

Every year there are over **2,000 major accidents** that incapacitate the worker in such a way they cannot return to work

Every year there are over **69,000 new cases** of **work related illness** reported that can be directly attributed to working within construction

**Stress, depression or anxiety** accounts for a fifth of all work related illness

**Over 45%** of all **occupational cancer** cases in the UK are directly attributed to working in construction

Every year over **400** construction workers **commit suicide**

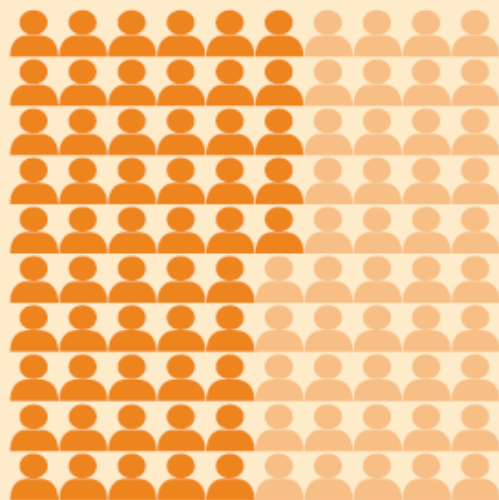

Every year over **1.7 million man days** are lost through **injury or illness** in our industry

A recent Construction News 'Mind Matters' survey revealed...

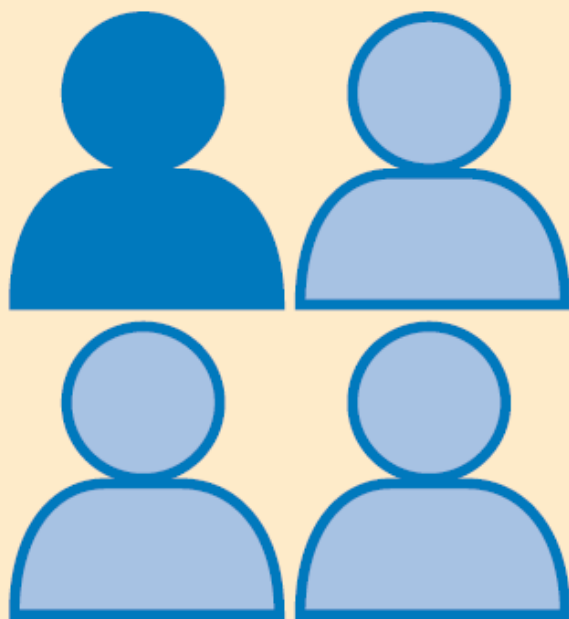

**1 in 4**

respondents have considered taking their own life

**55%**

of respondents have experienced mental health issues in their lives

**88%**

said there needs to be more support for those that suffer from mental health issues

Lighthouse  
The Construction Industry Charity  
C L U B

The Construction Industry Helpline provides a 24/7 safety net for all construction workers and their families in the UK and Ireland. It is a charitable service funded by the industry, for the industry, and provides:

- Emergency financial aid to construction families in crisis
- Advice on occupational health and mental wellbeing
- Support on legal, tax and debt management matters

National Office, 1st Floor, 11 Northgate Street, Ipswich, IP1 3BX  
Charity Registration No. 1149488. Company Registration No. 08244118

Help us distribute the Construction Industry Helpline Card to **every worker** in construction in the UK and Ireland

## How?

Simply purchase a **Helpline Pack** for your company to distribute to your employees and subcontractors.

Visit: [www.ConstructionIndustryHelpline.com/Products](http://www.ConstructionIndustryHelpline.com/Products)

Visit: [www.CCScheme.org.uk/Products](http://www.CCScheme.org.uk/Products)

# One Day... to help our own

If you **purchase the Helpline Pack** for your business and distribute the cards and posters, then you are already helping!

However, as the cost of running this charitable service grows, we need to raise more funds from our industry to support it, so we ask you to pledge just one day every year to support our cause... we call this a **Lighthouse Day!**

# What is a Lighthouse Day?

A “Lighthouse Day” is **one day** you put aside **every year** in your company to raise funds for our charity to **support the Construction Industry Helpline.**

Taking part is easy, you set the date, you decide the activity and you set the fundraising target!

# Construction Industry Helpline

1006

324

£449,603

YEAR TO DATE

In the first 8 months of 2017..
